

24th Annual Rao R. Ivatury Trauma Symposium

June 28, 2024 | Virtual Symposium

The VCU Health Center for Trauma and Critical Care Education and Division of Acute Care Surgical Services invite you to attend the virtual **24th Annual Rao R. Ivatury Trauma Symposium - Best Practices in the New Frontier** on Friday, June 28.

This multidisciplinary virtual symposium is designed to inform attendees about current challenges in trauma care throughout the continuum and about current concepts and best practices across a range of environments, from critical care access hospitals in rural communities to advanced tertiary care centers in urban areas.

Anticipated topics:

- Abdominal Penetrating Trauma
- Chest Trauma
- Critically Ill Older Adults
- Guidelines on the Resuscitation of the Severely Injured Pediatric Trauma Patient
- Point of Care Ultrasonography (POCUS)
- Resuscitative Endovascular Balloon Occlusion (REBOA)
- Rib Fracture Management
- Traumatic Brain Injury (TBI) Guidelines
- Violence in the ED
